

6th European Conference on Fetal Alcohol Spectrum Disorders

New conference dates: 12 to 15 September, 2021

Dear Colleagues,

Due to the uncertainties around the Covid-19 pandemic, the Board feels that the wisest decision is to postpone the conference until 12 to 15 September of 2021. We are very sorry not to meet you in a few months, but hope to see in 2021! You will be able to get a refund of your registration fee if you have already paid, or alternatively, you can simply keep the registration which will apply next year. Please note the following important points.

1. The new dates for the conference will be 12 to 15 September, 2021.
2. The venue will remain the same, the Clarion Hotel Tyholmen in Arendal, south of Oslo, Norway.
3. The abstract submission system will reopen early in 2021. It will be possible then to update existing abstracts or to submit new work.
4. In an effort to minimize extra work and costs, the following actions are being taken with respect to registrations.
 - a. All registrations will be automatically transferred to the new conference dates. If the original participant is unable to attend, a substitute will be accepted at no extra cost (mail to info@easyconferences.eu). However, if you would like to cancel and get a refund, this is possible. The EUFASD Alliance will bear the cancellation charge so that you get a full refund.
 - b. For refunds, please contact the Easy Conferences staff via info@easyconferences.eu .
 - c. All participants' accounts within the Easy Conferences system will be updated as soon as possible.
 - d. Check the EUFASD website at www.eufasd.org for conference news. You can also sign up for the conference news announcements at <https://signup.ymlp.com/xgmmssihgmgi> .

We apologize for any inconvenience, but this decision was required in order to protect the health of all our participants. If you have further questions, please mail to the conference organizers at Siv.stigen@sshf.no or to the EUFASD Alliance at info@eufasd.org .

Thank you for your understanding and we look forward to seeing you at EUFASD 2021.

On behalf of the Board of the EUFASD Alliance and the Conference Organizing Committees,

Diane Black, Chair EUFASD Alliance

Gro CC Løhaugen, Conference Chair

Jon Skranes, Chair Scientific Committee
